

World Affairs Council of Pittsburgh 3rd Annual Soiree

- Our annual **Soiree fundraiser** brings our mission to life by gathering people from diverse backgrounds in a dynamic celebration of the world right here in Pittsburgh.
- The vibrancy of the Soiree is not your typical fundraiser. The Soiree **speaks to Pittsburghers who crave the energy felt in global cities** and feel disconnected from the rich culture and diversity that is present but often unseen in our region.
- **A total of more than 500 attendees** have attended over the past two years (250+ last year).
 - Thanks to generous sponsors, scholarship tickets are provided to community members who cannot otherwise attend, creating a truly inclusive atmosphere.
- 2024 theme: **HARMONIOUS: A Celebratory Symphony of Cultures**
 - 2023: Radiating Rhythms: Celebrating Hip Hop's Brilliance
- Our Soiree hosts our annual **Illuminate Awards**, which recognize globally minded leaders across sectors who are making an impact.
- This year's Soiree: **October 4, 2024 at The Gem** (formerly Aspinwall Riverfront Park)
